andject will justify you in devoting a portion of statute. Judgment for Planniff. the Stafuten commonly called the "poor debtor the time of the breach of condition of the bond construction which has generally in practice cent interest on the debt, costs, and costs of been adopted in this and for the computational tion adopted by the Court, mony hands are lotfeited. This is a matter very much to be regretted, but at is an evil not to be charged upon the Court. It is the proxince of the Court to ad Gubernatorial chair of the greatest state in our quality the law, not to make it. The evil is Union, by one of the largest majorities record if rather to be charged upon the too great propen tion of the glorious principles upon which our plain and clear in its provisions, and easily un had under the protection of which the stations derstood Every change since that act was pas ed reach of the bumblest born and the most destihas proved to be for the worse. There is a very tule of all fortuitons advantages in early life. great want of technical skill and accuracy and Mr Seward is still but a young man, and withprecision in all the acts on this subject passed [and our own recollection has name was unknown precision in all the acts on this subject passed [and of the subject passed and our own recollection has name was unknown since 1822. This is especially the case with the Teven there. His first appraisance in a political acts of 1835 and 1836. If acts are so carelessly life was at a state convention of young men at and loosely drawn that they cannot be under that they cannot be under stood, the truit is not in the Court if the people He distinguished himself there by his cloquent find they have been adopting and practicing up-, speaking, and the force of his harrangues, and on an erroneous construction of the law Acts at that convention, it may the Sub and the foundation of the tuture political fortunes of the Legislature should be drawn up with so Heris now the Conventor clust of any state Heris much plainness and precision that they cannot fulnes to the Governor elect of our store. His be misunderstood. But our legislators have had, but from what station, and by what means, he too much of the interest of party in view, of late his risen to his present-proud elevation, have years, to attend to their duty to the public Pri vate and smister interests have taken too much of the attention of the people's servants, selected to make laws for the good of the whole community, and the consequence has been that the pubhe interest has been neglected, and the Statute books loaded and lumbered with acts of clumsy and blundering legislation, which are disgracaful to the authors, and unfortunately in many instances, in their consequences, very injurious to ind vidual interests

BENJAMIN KNIGHT, TS MOSES NORTON & AL

This case was argued at the April Term of the Supreme Judicial Court in the County of Cumberland, 1838, and the opinion of the Court + and are unnecessary to the purpose we have in was drawn up and delivered at the November Ferm of the Court in that County, 1838, by

SHEPLLY, J. the Acts for the relief of poor lebtors have been so numerous, and an defective in their provisions, that it is no matter of surorize, that they have been the occasion of many The Art of 1835, c 195, (in the edition of Glazier & Co chap 717 Reporter) provided that a debtor arrested or imprisoned on execultate up in giving bond-conditioned that tor and subfint himself to examilitation and take the outh prescribed by the tenth section, or pay and by experience for its reward Emiteriag up the debt, interest, costs and fees, should be discharged, but no express provision was made to and the fifth section provides, that any person their power required by the eighth section of the Act of 1835, shall be discliveged, and that the debtor giving band, as aforesaid, may cite the creditor and take the oath provided in the seventh secdon, which outh is substituted for that contain ed in the tenth section of the Act of 1835 How is the debtar to cite the creditor ? The

only provision in reference to it is in the same fifth section in these words: " and in other reto provides, that a person committed and in prison shall make a written complaint to the keeper, who shall apply to a Justice of the Peace of the County, by whom the notification is to be made out, which is to be served upon the creditor, or his attorney, in the manner there provided The design reems to have been to adopt in all respects the same mode for the application; dissemination with a spirit worthy the cause notice, service, and subsequent proceedings, as is provided in cases when the debtor is in prison And it is practicable to do this, for the debtor will not be obliged to be committed to enable him to make such an application to the keeper ted, if he had not given the bond. He has but to present himsen, being at inige, to the heeper to make the request or complaint, and the statute impliedly at least authorized the keaper debtor has taken the oath should be lodged with or Magistrate, issuing the execution

In this case the debtor himself applied to the from his bright example. magistrate instead of to the keeper of the gaol, and the certificate was lodged with the Clerk instead of the prison keeper

It may be said, that the notice would be equally effectual, whether made out upon the application of the debter, or the prison keeper, and it undoubtedly would be so, and other land modes of giving notice, eggallye ffectual, might be named, but the answer is, these ere no modes provided by the hymfature, and the Courts cannot determine, that other modes, ap parently equally satisfactory, shall be substituted

for thor-, which the law has preserited. The preliminary proceedings must be in con formity to the provisions of the statute to give the Justices jurisdiction and authorize them to act this appears to have been the potention of that providing in the tenth acarion - high der-classe, that the de store shall "and wife the top, infication and return, and if regular and in due form, may hear, 'lishlying t' tif hot regular and in the row fith the heart to the year cored. And such was the decision in the or

The statute of 1893 prescribes, in c e of for | Sprague, Eastgort, Ziphyr, Frankfort, Danule. your paper to this case. It will be perceived At the bottom of the opinion was this airec-tion: "Judgment to be under up by reckoning interest on the debt only from the judgment to acts university in several particulars from the hald after breach, by reckning twenty five per

> FROM THE NEW YORK SUR " QUR GOVERNOR ELLCT

The elevation of William II Seward to the of honor and emolument are placed within the become matters of history, which cannot be too universally promulgated, not only as a striking illustration of the happy working of our glorious system of government, but as an example and an incentive to his cotemporaries, and those who may come after him to benefit by his exam-

Of the early history of Mr S ward, the Philadelphia Gazette of Manday furnishes a brief and interesting account, of which, for the pur poses above stated we have availed ourself =- us well for the advantage of the fraing generation, as for the information of those who have aided in placing Mr Seward where he now stands, and those who opposed his elevation. We have taken the liberty of divesting the extract of the party allusions which the original contained, inasinuch as they might give umbrage to some, view. The Gazette saya "Some eighteen years ago, in one of the love-

liest villages of western New York, there might have been seen occasionally in its principal atreet, a boyish looking, thoughtful law stude at. He had few intimates, yet many friends, but those he had, and their adoption tried, he buck led to his soul with hooks of steel. Coming from one of the richest agricultural connues in the State, with a good name and an honored parentage with the impulse of unstained intelie. t, and a fund of accumulated learning, he wee prepared from habit for mental industry, on the duties of his legal profession, he was en countered at the threshold by vindictive detraca whom the bond should be taken, not was any tion, which being perfectly harmlers, he heeded made pointed out for cring the oriditor, nor any best. He formed an alliance, which, while it authority given to notify his agent or attorney, i did not assist his talents for their force would in case of his not being a resident within the have made the same headway under any other State The design of the Act of 1636, c 245, circumstances, served at least to stamp the pos (Glazier's Ed. c. 707 Reporter) seems to have thorr he had already attained Electric in the been, among other things, to provide a remedy outpourings of his mind keeping himself al for these defects. And the fourth section pro | ways in reserve, jet having enough and to spare vides, that the bond required by the eighth sec- of the flashes of his intellect, he came to be stig tion of the Act of 1830, shall son to the creditor, matized by those who saw his gills but feared. as the imaginative, warmininded arrested or imprisoned on any execution, or spontaneous orntor. Some who now bear record warrant for taxes, by the giving the bond refersed to in the fourth section, which is the same especiators and admiring associates. As time passed on, he came out of the arena of the deha land, situated and being to the Town of Dutton now ting society or private tyeun to essembles known as the town of Glenburn, is the County of more public and promiseuous An adorer of in- Penobscut, to secure the payment of certain promi trinsic mixel, and original thought, he disdained sery notes described in said mortgage. Said land the architect of someon places, or the stoled seing a part of lot sumbered 12 in said Dutton retailer of incontrovertible facts, as if they were (sow Glenburn,) and described as inthought, a novel wonders. He consumed with the generous the gifted, and the true With a quick eye to note the lures of hy pocrisy, he knew in whom spects complying with the provisions of the he trusted; and while he never found an eneminth and tenth sections of the Act to which this my worthy to win, he never lost a friend desira is supplementary." The minth section referred the to retain. Pursuing this course with a love for all that was right, noble and liberal, co exist. ing with the deepest disdain for all that was treacherous narrow and wrong, it is not surprising that smong the practisers of the latter he attuined the adversaries Like every honest man he has bie side in politics he entertained Whig principles, and devoted himself to their

Time passed on, the young barrister rose from rank to rank, in his profession, and in the political theatre, and there he electrified crowds with his eloquence. Troops of friends ran to his standard , they found that his heart was pregnunt with the holy fire of patriot emulation , they exa him to expensed of their principles and in the flower of his manhood, and the flush of his fame, they have elevated him at last to in this city by thereupon to proceed, as he would, if in his the lottiest pinnacle of sovereignty within the view or the gift of the people who hall him then chief magistrate

Let those who know what to attain to, and what to configure confidence in their firm ness from his vareur, and take heart in their path

of heing bled as often as four times in a year, and county road leading from Hangor to Orono, thence winse constitutions in consequence, were becoming north 4 degrees west on the line of said town road useles and we have but who, since they inversable about twenty seven and a quarier rolls to a stake precious blood. When any of their old samptims town road about fourteen rods to a stake and stones. SHAWLS& HD (FS) spheared, instead of running to a Pouts. End are their enough 7 degrees cast on said to their old samptims town road about fourteen rods to a stake and stones. SHAWLS& HD (FS) spheared, instead of running to a Pouts. End are precious blood. When any of their old symptoms appeared, instead of conning to a Ductar End av-Pills which soon removed the viciated humors that were impeding the blood in its circulation. Those sensible people simply by the use of these invaluable. Pills, are increasing every day the powers both of body and much which by the practice of blieding were both becoming dreadfully impaired.

The following cases of cure by the use of Brand reth's Pills, alone, are submitted with respect, to the unprepudiced portion of the Boston public
ASTINA CURFD The following extraords

nars case of Asilima, which is anthenticated by seventeen respectable and well known inhabitants of Greenwich-Ct deserves his all persons a careful perusal. The most prejudiced must own that evidence is on the side of these Pills, which by the ures they are daily making show there is no neces

suy for any other medicine. Thomas S-Riown of This is to certify that Thomas S-Riown of Greenwich, Ct. was taken with a cold, numb feeling on the 13th of June last. He began to cough and raise phlegm and in the course of wenty four hours about two querts of thek white jelly was expectorated. Three physicians in Stamford Green with and Sampils prinounced it a nervous humid spasmodic Asilian and after prescribing for some time to no efficer the three Consulted regether, and finally declared that they could do him no good; the would and must result in consumption and death would ensue, and that ma yery stort time The pain was excessive in all parts of his hordy, and the difficulty in breathing was such as almost to cause strangulation. He was reduced to a more aketeron and finally gave himself up to death. After bring in this miserable state nearly two months, he saw an advertisement of Dr. Brandreth's Vegetable Universal Pills and immediately sent by Capt J War ing of Greenwich for a box and found rehef in the course of a tew days which encouraged him to persevere and now having taken them for alout four months according to the direction is emirely recovered, and so far as we can judge in conse quence of taking the above I'it s, which we have also used in our families and have found them in aluable.

Greenwich 22d Feb 1836 Signed James R Meas Daniel S Betts John H Rey old A Palmer Rev R Palmer J R Palmer H Brewsley & Jessup James Moore, Hannah Buchenck, I Mean Thos Bertram Isade Olmstead, V T Jessup Stephen Waring John Limber -Certificate of John Goulden who has known the

From a BOSTONIAN whose address is at the fool [TRUP COPY]

To Dr Beng Brandreth My dear Sir I write a few lines to inform you th t I have been making use of your Vegetable Universal Pills. I have been afflicted will a complaint supposed to he crused by PAINT I was pirint supposed to the constant subject to a great coldness through my whole eye tem attended with frequent pain and severe cholics, for the vent I have also HECH selfect to fin which would seize me it the night and when I have cone to myself I have been as weak as a child am ready to state the facts more particularly and how the medicine acted upon me at my residence, No 17 Sudbury street, to any one who wishes to

MODIFE I feel the medicine has hear of very great service and that the discases under which I labored have and that the discases under which I labored have and that it FNIRELY REMOVED, for which I shall ever feel grateful to Providence and to you Believe me to remain

Very respectfulls JOHN LUMMUS,

Boston 17 Sudbury street
